The oldest burial grounds of Los Angeles County, this ground consecrated in 1778, Received the First Mortal Remains, on October 20, when Fr. Antonio Cruzado gave Christian burial to the Indian Antonio, born to Christ through baptism the day before while in danger of death.

Hello - Better come out + play with me! Am out here on a sudden vacation as may lose passes after July 1st. The flowers are so lovely this time of year + I've eaten tons of fruit, enough to last all year! Will be back in Chicago next week. Hope everything is O.K with you + family.

Love Selma
